

Professional statement

I am pursuing a career in cybersecurity driven by a strong interest in protecting systems and data from evolving threats. I bring analytical thinking, attention to detail, and a commitment to continuous learning. With a foundation in Python, Linux, and cybersecurity tools, I am prepared to support secure, efficient environments. I value integrity, follow legal and ethical standards, and maintain professionalism through punctuality and reliability. My strengths and values align with the mission of organizations seeking trustworthy, skilled cybersecurity professionals.
